PetPals

Newsflash – December 2010 – Distributed by Chameleon Innovation

Friendly greetings from the PetPals team. We would like to use this opportunity to wish you and your family a blessed festive season and a prosperous new year. May all the four-legged members of your family swamp you with many licks and purrs over this happy period of the year!

Another wonderful thing about this time of year is that many people are sensitive towards the 'wish lists' of the less-privileged out there. We have a number of less-privileged doggies and kitties who long for forever homes as their ultimate gift for 2010. Please open your hearts and homes to the following rescued pets and consider making one or more of them part of your loving family:

BISCUIT

Biscuit is about 6 months old and she is desperately in need of a loving forever home. She is well trained, healthy and well groomed. She is full of energy and therefore needs other doggie playmate(s) with whom she can socialise.

TOPAZ

The previous owner of this beautiful 2 year old female cat had to move to a retirement home where pets are not allowed and Topaz has subsequently been placed in PetPals' dedicated foster care. Topaz is extremely affectionate, loves to be held and enjoys tummy rubs. She doesn't know dogs, but if she goes to a home where the doggies are used to cats it shouldn't be a problem.

KITTENS GALORE

These 3 cute female kittens are currently available for adoption. The kitten in the picture to the right is about 7 weeks old, and the kittens in the pictures below are about 10 weeks old. Please take note that a different adoption process / fee apply to the black-and-white and tortoiseshell kittens (see below) as they have been rescued by another animal welfare organization.

PLEASE NOTE:

All pets are treated for ticks, fleas and worms, and they have been inoculated (if old enough). All adult dogs and cats have been sterilized. An adoption fee of R200 per dog and R100 per cat will be applicable to contribute towards vet expenses. PetPals has an adoption form that needs to be completed before adoption (see www.petpals.org.za). If you find it in your heart to give one or more of these pets a loving forever home, please phone:

Yolanda on 021 854 6317 / 083 411 0738 or Azanne on 073 180 2050

THANK YOU !

We want to thank all of you for your support during 2010 – you have enabled us to help many animals in need. Without your support, we would not have been able to feed hungry pets and attend to their medical related needs (such as sterilisations, emergency care, medicines, etc). We want to express our sincere appreciation to those who were willing to foster pets until they have found their forever homes. PetPals is also very grateful to the vets and staff of the Strand Animal Hospital and Ebervet Community Veterinary Care for their ongoing support of the voluntary work we do.

However, our gratitude is nothing compared to the gratefulness of the many animals that have been helped throughout the year. We thought it appropriate to showcase a few happy faces of pets who were rescued and rehomed recently. A special thanks from our side to every single person / family who has adopted a rescued pet in 2010. Thank you for changing their lives forever!

Thank you for your valuable time to read PetPals' latest newsflash. Please feel free to visit our website (www.petpals.org.za) or contact us should you have any further enquiries on what we do or who we are.

May 2011 be a wonderful and blessed year for you, your families and your beloved pets!

Friendly PetPals-regards
